Her Speech to the Cortes.

WILL NOT SURRENDER CUBA--A  
COUNCIL AT WASHINGTON.

General Miles and Naval Officers Are Con-  
ferring With the President--General Be-  
lief That the Time For Action Has  
Come--Suspense in Official Circles.

### A COUNCIL OF WAR.

Washington, April 20--[Special]--A council of war is being held at the White House, and the action of the Span-  
ish crown and cortes is under discussion. Gen. Miles is present, as are several retired admirals of the navy. The utmost secrecy is observed, which gives rise to rumors that the crisis is nearer than is apprehended. There is a feeling of the most intense expectation in army and navy circles.

#### THE DAY'S DEVELOPMENTS.

Great Secrecy Is Maintained at the De-  
partments.

Washington, April 20--[Special]--At last the president has spoken, and this time in terms that cannot be mis-  
understood. He signed the Cuban res-  
olution this morning, and a few min-  
utes later an ultimatum was sent to Spain, and no one now doubts that war will be the result within at least three days, when the Cuban ports will be blockaded and bombarded unless Spain should conclude to evacuate Cuba. This move on Spain's part is highly improbable in view of Premier Sagasta's statement last night that Spain would not yield an inch.

Spanish Minister Polo this morning transferred all the official records and effects of the Spanish legation to French Ambassador Cambon.

Minister Woodford cables that he and all United States consuls in Spain are ready to leave as soon as word is received.

Polo Given His Passports.

As soon as the president signed the resolutions he notified the Spanish minister, who at once asked for and was given his passports.

Read in the House.

As soon as the house convened, a message from the president announce-  
ing that he had signed the Cuban res-  
olutions and sent an ultimatum to Spain was read amid great enthusi-  
asm.

Will Wait for a Reply.

Minister Woodford will wait forty-  
eight hours for a reply to the ul-  
timatum, if he is not given his passports in the meantime.

The text of the ultimatum will be made public as soon as Minister Wood-  
ford presents it to the Spanish govern-  
ment.

Goes to Canada

It is said the Spanish minister will leave for Canada tonight. He has sent messages to Germany, Italy, Aus-  
trian, France, Great Britain and Russia notifying those governments of Presi-  
dent McKinley's action.

TELLER WAS INTEMPERATE.

Denounces the President for Delay in the Cuban Matter.

Washington, April 20--[Special]--Senator Teller made a vigorous speech today on the Cuban question, denounc-  
ing the president for giving Spain in-  
directly moral support for the past four months. Mr. Teller said Wall street was behind the delay.

CONCENTRATING AT HAVANA

Spanish Troops in Cuba to Make the Capital Their Base of Operations

Havana, April 21--[Special]--The Spanish troops continue concentrating here and many Spanish generals are

arriving from different parts of the island. The populace continues to leave the city in large numbers.

Three Americans were arrested here yesterday on the charge of spying. The British minister forced Blanco to release them.

#### VOLUNTEERS CALLED FOR.

President's Proclamation Will Be Issued This Afternoon.

Washington, April 20--[Special]--It is expected that the president's proclamation calling for volunteers will be issued today. General Miles is conferring with the president relative to the matter. At this hour (3 o'clock, p. m.) the number to be called into the field has not been de-  
termined.

#### CONSUL BOWEN IN DANGER

Plotting in Barcelona Becoming Worse as Time Progresses

Madrid, April 20--[Special]--A dis-  
patch from Barcelona says the plotting there is becoming much worse, and if war is declared United States' Consul Bowen will be in grave danger. Mobs are menacing the consulate day and night, and Mr. Bowen's escape is a matter of grave doubt.

#### PROTECTION FOR GULF CITIES.

Formation of a Fourth Squadron Now in Contemplation.

Washington, April 21--[Special]--The navy department is considering the advisability of forming a fourth squadron to protect the cities of the gulf coast.

#### WOODFORD SAYS FAREWELL

Sends F. P. C. Cards to Members of Dip-  
lomatic Corps

Madrid, April 20--[Special]--Minis-  
ter Woodford has sent farewell cards to members of the diplomatic body.

#### The Armistice a Success

Havana, April 20--[Special]--Radical Spanish newspapers report that the armistice is a success, and that several Cuban leaders have visited the large cities under a truce.

#### Spain's Day of Grace

Washington, April 20--[Special]--Spain will have a full day of grace Saturday to answer the ultimatum. If it refuses to accede to President McKinley's demands by that time war will immediately begin.

#### Reserves Liberty of Action

New York, April 20--[Special]--A dispatch from Vienna says Austria announces that it will reserve liberty of action in regard to Cuba. The Austrian fleet will probably start for Spain at once to protect the Queen Regent.

#### Fair Ground Tickets for Sale

After May 1 the fair grounds will be closed to the public. Any persons wishing to use them will find season tickets at the store of J. M. Bostwick & Sons for driving or bicycle riding. The grounds will be kept for play-  
grounds this season.

## ALL THE NEWS OF THE BADGER STATE.

### COMMANDER GRAY'S ADVICE REGARDING ENLISTMENT.

Prosperity of the University Shown by the Catalogue--Chippewa Falls Strike Ended--Appointments by Milwaukee's Mayor--Gossip of Various Kinds of General Interest.

Madison, Wis., April 20--Tomorrow Department Commander E. B. Gray of the G. A. B. will issue a circular to the posts in Wisconsin asking each veteran to select several young men of his acquaintance for enlistment in case troops are called for by the president. His action was called by a letter from Gen. Daniel Butterworth of New York.

The plan is for each veteran to carefully pick several men who have the making of good soldiers and prepare them for enlistment by drill and instruction. By this means it is expected that several thousands of picked men between 19 and 45 years old can be secured. No veterans of the Rebellion are to enlist, but each veteran is a sponsor for the character and physical qualities of the men he offers. Besides Department Commander Gray, Col. A. H. Hollister, State Senator C. B. Welton, Gen. Henry Harnden and others are interested in the plan.

The first recruit taken under the plan was Orson A. Sullivan, of Lodi, a son of a veteran. The circular will request that every post report to Commander Gray as soon as possible the number of men it can furnish.

"I think the plan is an excellent one," said Col. Gray tonight, "and in case of a call for troops it would save much time and money. By the veterans instructing the recruits much time and money will be saved. I think the veterans of the state will take hold of the plan with enthusiasm and in a short time we will stand ready to provide a fine body of picked men already instructed in the rudiments."

### THE UNIVERSITY CATALOGUE.

Enrollment at the Institution Now Num-  
bers 1,767.

Madison, Wis., April 20--The uni-  
versity catalogue for the college year '97-'98 will soon appear. It presents many interesting figures in regard to the attendance at the institution. There is a total gain in enrollment of 117 students, or an enrollment this year of 1,767, while last year 1,650 summed up the total attendance.

There is a gain in the graduate department and in the College of Letters and Science. In the latter department there is a gain in the junior and sophomore classes over last year. The apparent loss in the freshman class is accounted for by classifying the special students by themselves instead of ranking them in with the freshmen. A gain is shown in the College of Mechanics and Engineer-  
ing, the increase being found in the sophomore class and special students, although there is a falling off in the senior, junior and freshmen classes.

The College of Agriculture and Dairy school shows a gain in all departments, while in the College of Law there is a falling off, the middle year being the only class to show an increase. There is a general loss in the School of Pharmacy, the three-year course being the only one to gain while a slight loss is shown in all departments of the School of Music.

Beloit, Wis., April 20--Mrs. J. W. Crist, an aged woman residing in this city, claims that she assisted in the escape of Wilkes Booth, the assassin of Lincoln, and that he died a natural death in England. She says her first husband was Captain Thomas Haggett, commander of the Mary Porter, a rebel blockade runner, and that in June, two months after the murder of the president, Captain Haggett took the assassin on his boat at Havana, Mrs. Crist being a passenger on the boat, and carried him to Nassau, a town in the Bahama Islands. ## EARLY TIMES IN ROCK COUNTY.

WHAT THE RECORDS SHOW OF  
DOINGS FIFTY YEARS AGO--

First Meeting of the County Commissioners Was Held on A Fool's Day in 1839--The First Election Precincts--Borrowing Money to Pay For the County Seat.

EDITOR GAZETTE--In this centennial year a little Rock county early history may be of some interest to many of Janesville's residents.

I find in glancing over the records in the county clerk's office that the first recorded meeting of the county commissioners was held at Janesville, April 1, 1839. The commissioners were Enos I. Hazzard, William S. Murry and William Spaulding. W. H. Bailey was elected clerk.

Election precincts were established at said meetings at the following places:

At Jefferson Prairie at the house of Charles Tuttle. L. O. Allyn, Dennis T. Mills and Milton S. Warner, judges of election.

At Prairie du Sac at or near the dwelling house of Joseph Goodrich. Nathan G. Storrs, Farnham Chickering and Ezra Hazzard, judges of election.

At Janesville. Daniel F. Kimball, W. H. Bailey and Volney Atwood, judges.

At Beloit. John Hackett, Chas. Johnston and Horace White, judges.

The county was also divided into two road districts. No. 1 included all of towns 1 and 2. No. 2 included all of towns 3 and 4.

The following order was passed: That the clerk of said board of county commissioners do for the purpose of obtaining money to enable them to carry into effect the law authorizing them to borrow money for the purpose of alluding and procuring preemption and securing a title to the land upon which the county seat is located, execute a note running to Joseph Goodrich or order for the sum of \$250 with twelve per cent interest and payable in one year.

Hiram Brown was appointed assessor for Rock county and the clerk ordered to notify him of his appointment.

A tax levy of five mills on a dollar was ordered for county revenue, amounting to \$2,179.34.

On July 15, 1839 the following order was passed: That Hans Crocker, of Milwaukee, be appointed attorney for the board for the purpose of procuring the right of preemption for said county in conformity with the act of congress passed 26th May, 1834, allowing preemptions of quarter sections to counties and parishes for the erection of county buildings with authority to sign the names of said commissioners to any applications, receipts, or other papers that may be necessary to carry into effect the objects of this order.

W. J. MCINTYRE,  
County Clerk.

REVIVAL AT COURT STREET

Increasing Interest in the Services at the Methodist Church

A marked increase of interest and attendance was seen at the revival meeting last evening at Court Street church.

Rev. E. D. Hall, in speaking on the theme, "The Secret of the Christian Life," treated the subject somewhat as follows: The identity of the christian life is produced and maintained by the dwelling of the Christ spirit. The words spirit and disposition are words having the same meaning.

As there is in every form of life a mysterious secret of its identical life, so there is in the christian life, and that secret is the spirit of Christ, the product of which is as uniform in its essential features as are the products of the mystery of the secret mystery of any life.

Rev. Walter A. Hall, the pastor, will preach tonight. A still larger attendance is confidently expected. Pentecostal service will be held at 3 p. m. tomorrow. Preaching service tomorrow evening. All are invited.

## SAGASTA ADVOCATES WAR.

Spanish Premier Makes an Official Explanation.

DIPLOMACY IS ABANDONED.

He Tells His Followers It Is Time to Strike for the Nation's Integrity—Hope of a Peaceful Solution of the Trouble May Be Put Away.

Madrid, April 20.—The supporters of the government in both houses of parliament met in the senate chamber at 5 o'clock Tuesday afternoon. Senor Sagasta, the premier, addressed them as follows:

"The times are so grave and the circumstances are so exceptional that acts and not words are necessary to face the present difficulty. Attempts are being made to sully the glorious history of Spain by an infamous calumny. The different Spanish governments have done their utmost to avert war, to which we are being provoked. We have now reached the limits of concession compatible with honor and territorial integrity.

"We consented to the last concession at the instance of the pope and the powers. We yielded, in fact, but now attempts are being made upon our honor and menaces directed against our territory. That is a thing to which Spaniards will never consent. This is not the moment to trace a parliamentary programme, but the moment to unite ourselves, as our fathers have done, in the face of an odious attempt against the integrity of our territory. The insult offered us to-day is the most infamous that has ever been offered."

Continuing, Senor Sagasta counseled the rapid constitution of the chambers in order to accord to the government the means to defend the country's interests.

"Spain," he added, "will not allow a parcel of her territory to be taken from her with impunity, nor will she be a party to any trafficking for her possessions."

Seldom has there been witnessed a more impressive and significant scene. The large hall of the senate was densely crowded with liberal senators and deputies, who listened with breathless attention to the short speech of Senor Sagasta, only interrupting him with unanimous and loud applause when he indignantly alluded to the "unjustified and infamous aspersions cast upon Spain" with regard to the Maine disaster. Even more enthusiastic applause greeted his closing words, when he stoutly and proudly declared that the government hoped to receive the support of all Spaniards "in defense of their territory and ancient rights against more odious and unfair aggressions than any of their ancestors had repelled with the same energy and courage."

If the idea still existed in the mind of any one here that war could be avoided, Senor Sagasta's firm speech is regarded as finally settling all doubts.

## Cabinet for Peace No Longer.

London, April 20.—The Madrid correspondent of the Daily Mail says: "A cabinet council was held very early this afternoon in order to consider the situation. The government adopted finally the resolutions respecting their relations with the United States. Ministers were unanimous in declaring that a conflict was now certain and quite at hand."

## Powers Will Take No Part.

London, April 20.—The great powers have definitely decided not to interfere in any way in event of war between Spain and the United States. The fact is that the European statesmen are not anxious to arouse the military and naval ambition of America. They realize that any offensive continental concert at this time would be certain to stir the American people profoundly, and result in a gigantic American navy which might upset the balance of military power of the world.

## Talk of Michigan Missions.

Kalamazoo, Mich., April 20.—The forty-eighth semi-annual missionary meeting and diocesan church conference for the Diocese of the Western Michigan Protestant Episcopal church began Tuesday evening at St. Luke's church.

Spain Makes an Apology. Washington, April 20.—Nothing has yet been received from Minister Woodford as to renewed rioting reported from Malaga. The last word received from him was a message dated yesterday stating that matters were very quiet in Spain. He also informed the department that the Spanish government had made an ample apology for the indignities inflicted upon the American consulate at Malaga by a mob last week.

## Gen. Miles Will Go to Cuba.

Washington, April 20.—Gen. Miles will go to Cuba. He has been very anxious for this duty, and he will take command of the invading forces. He has selected some of the members of his field staff. ## Wall Street to Raise a Regiment.

New York, April 20.—Washington B. Connor said yesterday that pledges enough had been already secured to make it certain that there would be no difficulty in obtaining, in case of an outbreak of hostilities with Spain, the required sum of \$100,000 for the equipment of a Wall street regiment of 1,000 men.

## Dreibund May Step In.

London, April 20.—It is reported that the dreibund, or triple alliance (composed of Germany, Austria and Italy), acting upon the suggestion of Italy, has proposed to the powers a plebiscite, under which the population of Cuba should be allowed to vote for the form of government under which they shall live.

## SILVER AND PRODUCE.

Some curious statisticians have recently investigated in detail the course of silver and farm products in the 21 months since the adoption of the silver proposition by the Democratic convention at Chicago in 1896, and find that in practically every case farm products have advanced at about as rapid a rate as silver has fallen meantime. The following table shows that while silver fell from 69.2 cents per ounce on July 10, 1895, to 54.3 cents on March 10, 1898, wheat advanced from \$7.75 per bushel to \$10.75; wool from 17 cents to 27 cents, and other articles of farm production in about the same proportion:

	Wheat	Mess	Wool	Silver
	No. 2, per bu.	per bu.	per lb.	per oz.
July 10, 1895	7.75	7.75	17.0	69.2
Sept. 26, 1896	7.45	8.25	18.66	
November 1, 1896	8.5	8.50	19.65	
April 17, 1897	9.65	8.75	21.5	62.5
Sept. 16, 1897	10.05	9.50	26.5	57.4
Dec. 18, 1897	10.2	9.00	27.5	56.6
Feb. 25, 1898	10.42	10.75	27.7	55.6
March 10, 1898	10.65	10.75	28	54.3

## SILVER MEN ARE SILENT

The silver combine is not quoting Dun's and Bradstreet's to the farmers as much just now as it was in 1896. Then its representatives spoke in the highest terms of these publications and quoted them constantly to show the fall in prices. Now they carefully avoid them, for their statistics show a remarkable rise in the value of all farm products since the date of the adoption of the Chicago platform and the equally remarkable fall in the price of silver meantime. Tables just published by Bradstreet's comparing prices of farm products on March 1, 1898, with those of July 1, 1896, show that in practically every article there has been an advance of from 15 to 50 per cent, while silver has fallen nearly as rapidly as the other articles have advanced. Silver was then within a fraction of 70 cents an ounce at the date of the adoption of the Chicago platform and is now but a fraction of a cent above 54 cents per ounce. Yet farm products have risen meantime, and since practically all production in this line is included in the advance, it cannot be claimed that the general rise is due to "shortage abroad."

Dr. Williams, Elk Falls, Kansas, celebrated bacteriologist, says his investigations lead him to believe that petrification is caused by a microbe similar to the coral zoophyte. This solution of the problem will be generally accepted without debate.

Sixteen thousand dollars is said to be the record price paid for a cable gram, that price having been paid for a message sent by Henker Heaton to Australia in behalf of the British Parliament.

The proposed consolidation of the wire and wire rod interests of the country has fallen through and there is one less "trust" in consequence.

## WORKMEN ENJOY THEMSELVES

Unite in a Pleasant Social Function at Their Hall.

Grand Master Workman J. M. Thayer of the Ancient Order United Workmen, left this morning for Mondovio, where he will assist in initiating a class of forty workmen tonight. On May 4 he will go to West Superior, Wis., where a class of one hundred will be initiated. Members of the local lodge of this order are doing all in their power to recruit their membership. The incentive is a prize of \$2,000 which the supreme lodge of the order has offered to every jurisdiction that shall increase its membership twenty-five per cent during the year. During the past fifteen months 2,400 members have been added to Wisconsin. A class of twelve new members

was initiated by Olive Branch lodge last evening. At the conclusion of the ceremony the lodge room was thrown open to relatives and friends of the members, who were in waiting. Fleck's Orchestra rendered a fine selection, after which Grand Master Workman Thayer delivered a brief address. Norton Wells gave a solo on the zither, which was loudly applauded. He was followed by John T. Shepherd, who gave an excellent declamation. Miss Edna Murdock gave a recitation, "So Was I," in a pleasing manner; Charles H. Patterson sang a few popular comic songs with much acceptance, and Miss Josephine Fenton recited "Flying Jim's Last Leap" in a manner that drew forth much praise. After a short address by Past Master Fred Lolyd, formerly of Minnesota, recourse was had to dancing and card playing, in which the evening was passed pleasantly.

## MANUFACTURING NOW BRISK

Local Establishments Running Full Time on Advance Orders.

A visit to many of the manufacturing concerns of the city revealed that they were very busy, and that the war scare up to date had no perceptible effect on business.

The Rock River Cotton company, as well as the Rock River Woolen Mills, are enjoying a rush in business which keeps them hustling to fill their orders.

The Janesville Machine Company continues to receive daily orders from all sections of the country, which requires every department at the works to run at full force.

With the Lewis Knitting company business is on the increase, while the same state of affairs exists with the other local manufacturing firms. The majority of the local business firms do not believe that a declaration of war would in a great measure injure business in the western country, at least not to such a degree as in coast cities.

## TREY GOT A NIGHT'S LODGING

REVIVED SCENES OF  
THE REVOLUTION.DAUGHTERS OF THAT PERIOD  
GIVE A GRAND RECEPTION.

Admirable Program Presented to a Large and Brilliant Assemblage—Living Pictures Represent Old-Time Characters—Dancing of the Minuet and Other Features.

The ball of the Daughters of the American Revolution at the Armory last evening was unquestionably the greatest public social event of the season in Janesville. The attendance was large and embraced nearly all of the first-class society people of the city, and the managers feel amply rewarded for the great amount of time and labor they have devoted to preparation.

The afternoon entertainment, which was but a prelude to the grand function of the evening, consisted of a program for school children. The attendance of the young people was large. The entertainment consisted of an overture, a medley of national airs, by the high school orchestra; the march of the thirteen original states, led by Uncle Sam and Brother Jonathan in costume, followed by a recitation by each of the states; a recitation, "The Daughter of Tada," by Estes Hardy, who was encased; two delightful musical duets on the banjo and guitar, "Helena Valse Brillante" and "The Mocking Bird," by Miss Mabel Woodbury and Harold Hall; the reading of the prize essay and the presentation of the prize. Miss May Merrill, of the Washington school, was the winner, her essay being remarkably well written. Mrs. J. T. Wright, regent of the local chapter, presented the prize, a five dollar gold piece, her remarks being timely and well chosen. Mrs. Wright presided during the entire afternoon exercises.

## The Ball

The ball in the evening was a brilliant assemblage. It is doubtful if the Armory ever before contained as large a company of our best citizens as was there assembled. At 8 o'clock Smith's orchestra opened the exercises by rendering a select program of national airs. A male quartet consisting of E. O. Kimberley, H. C. Buell, D. D. Bennett and Archie Crawford, sang "The Star Spangled Banner," and "Land of Freedom" and Miss Estes Hardy recited "How Grandma Danced the Minuet" in an exceedingly felicitous manner. Then followed the living pictures. Mr. M. G. Jeffris explained each as presented, evoking much merriment by his brilliant and witty sallies.

## The Living Pictures

The pictures all represented revolutionary characters and scenes. A list of these, together with those who appeared in costume, follows:

1. Mary and Betty Washington—Mrs. N. O. Clark, Miss Strout.
2. Pocahontas—Mrs. William Kuger.
3. Priscilla and John Alden—Elizabeth Norcross, S. M. Smith.
4. Mollie Pitcher—Mabel Jackman.
5. General Greene and Mrs. Steele—George Kimball, Mrs. Ed. Smith.
6. Dolly Madison—Mae Valentine.
7. Dush Courtship—Mabel Lewis, Mark Bostwick.
8. Betty Ross—Lillian O'Lea.
9. Lydia Darrah—Mrs. George Kimball.
10. Banquet Scene—Nellie Custer, Wedding Day—Ruth Culver, Addie Best, Joseph Vankirk, Len Johnson, Walter Field.

Each picture received loud applause as it was presented, and many were the encomiums bestowed upon the participants.

## Dancing the Minuet.

The dancing of the minuet, "as our grandmothers used to dance it," was in some respects the most interesting feature of the evening. Those who participated were attired in continental costumes and consisted of the following ladies and gentlemen:

Misses—Ruth Oliver, Katherine Smith, Mae Valentine, Messrs—Ed. V. Whitton, Jr., Ed. Norcross, Frank Reynolds, Shepard Sheldon, Len Johnson.

Dancing, participated in by all present who were inclined to terpsichorean pleasure, concluded the evening's entertainment, and when the assemblage dispersed at an early hour this morning, it was unanimously agreed that the Daughters of the American Revolution were charming as hostesses and successful as managers of a social function on a grand scale.

## Beautiful Decorations.

The decorations of the armory were rich and appropriate. From the central chandelier was suspended a large wheel and distaff, the emblem of the order. On the wheel were the words, "Daughters of the American Revolution." The corner of the hall by the ladies' dressing room was transformed into a quaint colonial parlor. A rag carpet rug was on the floor and antique chairs, an old-fashioned clock, a queer musical instrument, the fireplace with its brass andirons, odd candlesticks and various highly prized relics made it, in reality, a corner from a by-gone century.

## ASSAULT CASE IS ON TRIAL

Frank Lentz Charged in the Municipal Court With a Grave Offense

In the municipal court today the assault and battery case of the State of Wisconsin vs. Frank Lentz was being tried before a well filled room of loungers and a few who were personally interested in the case. Both interested parties reside in this city.

Miss Anna Silvert, the complaining witness, works as a domestic at the Terrace street home of Mr. and Mrs. Frank B. Granger. On the evening of April 2 she alleges that Lentz, after calling for her to attend a dance, assaulted her when not far away from the Granger home, tearing her dress and bruising her because she refused to go to the dance. The defendant denies these charges. The following jury have the case in hand: C. E. Curtis, O. E. Brown, A. E. Bieh, F. B. Jones, P. H. Bump, and G. W. Emerson.

At 3 o'clock the case went to the jury, who after a ten minutes' deliberation, brought in a verdict of guilty. The court imposed a fine of \$5 and costs, or a total of \$57.85. The defendant was admitted to bail and the case will be appealed to the circuit court.

WEDDING BELLS  
ARE RINGING OUT.TWO NOTABLE EVENTS IN  
JANESVILLE SOCIETY.

Eva H. Bostwick joined in Wedlock to Anson W. Mayhew, of Milwaukee—Nuptials of Miss Elsie Palmer and Malcolm O. Mount to be Celebrated This Evening.

Miss Eva H. Bostwick, daughter of Mr. and Mrs. E. M. Bostwick, was married at noon today to Anson W. Mayhew, of Milwaukee. The wedding occurred at the home of the bride's parents on Park place. Rev. A. H. Harrington officiating.

The bride was accompanied by her sister, Miss May Bostwick, and Miss Lottie Freeman, of Madison. The brother of the groom, R. F. Mayhew, acted as best man.

Palms and cut flowers added beauty to the scene. In a corner of the front parlor was a floral bower in which stood the altar hung in white. Here vows were exchanged and the ring given.

A wedding luncheon was served and later in the afternoon Mr. and Mrs. Mayhew started for Chicago on a brief wedding trip. They will be at home after June 1 at 110 Thirtieth street, Milwaukee.

Only members of the families and a small number of especially intimate friends were present at the ceremony. Among those who came from Madison and Milwaukee were Mrs. Morris M. Bostwick, Mrs. C. D. Whitnall, Mr. and Mrs. A. K. Mayhew, Mrs. A. L. Mayhew, Mr. and Mrs. W. A. Mayhew, Mr. and Mrs. L. O. Mayhew, R. F. The rooms have been beautifully decorated with flowers, and an elaborate repeat will follow the tying of the nuptial knot, the Rev. A. C. Kempton, of the Baptist church, to officiate.

After a brief wedding trip Mr. and Mrs. Mount will take up their home in one of the Richardson-Rexford flats on Court street.

## ODD FELLOWS' INSURANCE.

Scope of the Supreme Court Decision Not as Wide as Supposed.

Much interest has been felt of late among the Odd Fellows here relative to the recent supreme court decision, bearing upon lapsed policies in the life insurance company, long maintained under the patronage of that order, but which went into the hands of a receiver some time ago. There are some ninety Odd Fellows in Janesville affected by the decision, and these might be mulcted in considerable amounts if the common understanding of the effect of the decision was correct.

B. F. Dunwiddie, of this city, has just returned from Madison, where, on behalf of several clients, he made special investigation of the scope of the decision in question. He finds that the court's ruling did not have the effect of perpetuating indefinitely the membership of those who belonged to the association. It simply holds that all assessments levied upon the members for six days after the notice of a surrender of membership by the insured are valid and binding, and that all assessments levied subsequent to that time are void. Thus members of the association who withdrew from it are liable for the assessments accruing for two months after their withdrawal, and no more. This is the entire scope of the decision.

## QUARTERS PRACTICALLY NEW

Odd Fellows Have Remodelled Their Hall at North Main and First Streets.

Quarters that members of Wisconsin Lodge No. 14, I. O. O. F. may well feel proud of will be dedicated next Monday evening when they take possession of their newly remodelled rooms at the corner of Main and North First streets. Carpenters, masons and painters have made a wonderful transformation scene within the short space of a few weeks. The main hall is 44x64, and a finer and more ideal dancing hall would be hard to find in this section of the state. A spacious and well furnished ladies' toilet and cloak room leads from the main hall, which is located on the third floor. On the second floor a first class dining room with kitchen attached has been provided, which is reached direct from the main hall by a four-foot stairway. A total of \$3,000 has been expended in remodeling the building.

The band was in big demand Sunday afternoon and evening, playing at a number of places. The playing at the Presbyterian evening services was especially appreciated."

## RHEUMATISM

ONLY FORTY-EIGHT HOURS.

Spain Must Give Us Her Answer at Once.

ULTIMATUM IS AGREED UPON.

Has Been Sent to Madrid, and Will Reach There This Evening—No Compromise Will Be Listened To—To Blockade Cuba.

Washington, April 20.—"The ultimatum," said one member of the cabinet, after the meeting Tuesday, "has been agreed upon in substance, but has not yet been formally drawn up. Its preparation has been intrusted to Assistant Secretary Day of the state department. It will reach Madrid this evening. I think you are safe in saying that Spain will be given forty-eight hours, that is, until Friday evening, to submit her reply."

"In accordance with the terms of the resolution, the president will demand that Spain shall evacuate the island. The demand for this will be flat-footed and absolute, and no tentative or half-way reply will satisfy the president. Nor will any compromise that contemplates the withdrawal of Spain's troops from the island and the subsequent re-establishment of Spanish control, or the raising of the Spanish flag over the country be accepted by the administration. Possibly it may be that a suggestion that the matter has been referred to the cortes for its consideration may be instrumental in postponing for a brief time the putting into effect of the congressional resolution, but the president is disposed not to brook any further delay. It is only fair that in a great crisis like this reasonable time shall be given."

"If Spain refuses to evacuate Cuba prompt measures will be adopted to put into force the congressional resolution. A blockade of Cuba will, so far as at present understood, be begun at once. There are an adequate number of war vessels in the vicinity to make this effective. I think such supplies as the Spaniards now control will not last them more than a month. Then steps taken with a view to increasing the equipment of Gomez's soldiers and furnishing them with sufficient hardback for food will enable him to harass the Spaniards from the rear, which will materially assist in bringing them to terms. My own individual idea is that it will probably take two months to bring about the results which will compel the Spaniards to evacuate and enable the island to be occupied by the United States without molestation."

"No, the United States government will not issue any letters of marque and reprisal, nor countenance privateering, but if the Spanish government chooses to enter upon this line of warfare she will have to deal with the nations of Europe with whose commerce she seeks to interfere."

### HOUR OF ATTACK FIXED.

Eighteen Minutes Past 1 O'clock on Saturday Morning.

New York, April 20.—The Herald prints the following dispatch from its Washington correspondent:

"Non-compliance by Spain with the terms of McKinley's ultimatum will be followed by the dispatch of the North Atlantic and flying squadrons at eighteen minutes past 1 o'clock Saturday morning to Cuba and Porto Rico to oust her from those islands."

### Tax On Railroad Tickets.

Washington, April 20.—Representative Grosvenor, discussing the war revenue bill now being considered by the committee on ways and means, said this morning there was a strong probability railroad tickets would be taxed lightly. Gen. Shattuck, for years traffic manager of Baltimore & Ohio, expresses the belief that \$25,000,000 can be raised in this way. Representative Dingley says the war tax bill will not be formally taken up until hostilities begin.

### Many Volunteers in Illinois.

Springfield, Ill., April 20.—Now that the people of the state have settled down to the conviction that war is inevitable Governor Tanner is almost overwhelmed from persons who want authority to raise regiments, battalions or companies. Every mail that he receives brings letters containing tenders of that kind, and he also has many callers who volunteer their services in some capacity or another.

Hong Kong, April 20.—The warships of the United States squadron are painting their hulls, upper works, smokestacks, etc., a dark gray, landing their spare gear and otherwise generally preparing for active service.

## STRIKERS CAUSE TROUBLE.

Assistance Asked of Governor Tanner to Maintain Peace.

Springfield, Ill., April 20.—D. H. McFarland, sheriff of Randolph county, Tuesday called upon Gov. Tanner and asked for either a company of the state militia or a sufficient stand of arms with which to arm his deputies to maintain peace and order at Roseborough, near Sparta. The sheriff reported that striking coal miners created a riot at Roseborough Saturday, and continued it Sunday and Monday; that his present force is inadequate to deal with the mob unless properly armed for hard fighting. The sheriff stated that he had exhausted all peaceable means to quell the rioting and must resort to arms.

Gov. Tanner instructed Adjutant-General Reece to at once send by express twenty fifty caliber, newly improved Springfield rifles and 1,000 rounds of ammunition for the use of Sheriff McFarland. The equipment was sent south at once in charge of Sheriff McFarland. The sheriff was instructed to use all possible means to restore quiet and peace, and, failing in that, to report to the governor, when state troops would be sent to maintain peace and order.

### Russia Orders Ships Here.

New York, April 20.—A dispatch to the Tribune from Washington says: "The Russian government has placed orders for two 12,000 ton battleships in the United States, according to information which has reached the navy department. The new vessels are to equal any afloat or designed in the world, and are to be superior to anything in the fighting line heretofore produced in this country. They and all their equipment will be American in manufacture as well as material."

### WITHOUT PAIN

A Medical Discovery That Effectually Cures Piles in Every Form.

For many years physicians have experimented in vain, seeking a remedy which would effectually cure piles and their rectal troubles without resorting to a surgical operation. Many remedies were found to give temporary relief, but none could be depended upon to make a lasting satisfactory cure.

Within a recent period, however, a new remedy, the Pyramid Pile Cure, has been repeatedly tested in hundreds of cases and with highly satisfactory results. The first effect of the Pyramid Pile Cure is to instantly remove the pain and irritation generally present, and from that time on the cure rapidly progresses and before the patient is hardly aware of it he is entirely cured. The remedy seems to act directly on the nerves and blood vessels of the parts affected as it comes into direct contact with them and sets up a healthy action, which in a perfectly natural way brings the parts to their normal condition.

The remedy does its work without any pain or inconvenience to the sufferer, and is justly considered one of the most meritorious discoveries of modern medicine.

Piles is one of the most annoying and oftentimes dangerous diseases with which humanity is afflicted. If neglected it frequently develops into fistula or some equally fatal or incurable trouble, whereas by the timely use of this simple but effective remedy, no one need suffer a single day from any form of piles unless they want to.

The Pyramid Pile Cure is perfectly harmless, containing no mineral poisons, and is also very reasonable in price. It is sold in drugstores everywhere at 50 cents per package. The manufacturers of the remedy are the Pyramid Drug Co. of Marshall, Mich., who have placed this excellent preparation before the public only after giving it thorough and repeated tests in the hands of reputable physicians. The results in hundreds of cases have convinced us that it will not disappoint you.

## THE POWERS WILL NOT MOVE.

Absolutely No Danger of European Interference.

## SPAIN MUST FIGHT ALONE.

Great Britain Has Taken the First Step to Maintain a Passive Neutrality—France and Germany Expected to Follow Suit at Once.

Washington, April 20.—The representatives of the powers of Europe held no meeting Tuesday, nor is any meeting at present in prospect. Those who have been most hopeful of bringing about European coalition now concede that such a move is impossible. One of the best-posted members of the diplomatic corps said that it was now too late for mediation or intervention, even if the powers could be brought together. It was recognized on all hands, he said, that the United States and Spain had chosen a recourse to war. It was a decision which sovereign nations had a right to make, lamentable as it might be, and the only course now open for other nations was to determine their attitude of neutrality between the two belligerents.

Already, it is said, Great Britain has taken steps not only to maintain a passive neutrality but to enforce it with arms if necessary. Two regiments of British soldiers are now in the British West Indies, and these are about to be augmented by another regiment en route from Halifax. They are concentrated in the belief that the West Indies will be a center of conflict, and that the stress of war may lead one or the other belligerents to occupy neutral British territory. If that occurs a British force will see that the territory is vacated, and that British soil is not used as a base of operations for hostilities for either party to the conflict.

So far as is known, the French government will observe the same neutrality. Its West Indian possessions are considerable, and it has several ships in those waters. Germany and the other powers are expected to take the same neutral attitude.

As to the course of events in the immediate future, the only prediction that can be made is one based on precedents. According to these Minister Woodford will notify the Spanish government of the action of the government of the United States, and, should the Spanish answer be unsatisfactory, as is expected, the next step in order will be for him to ask for his passports and leave Madrid. That would be followed instantly by the withdrawal from Washington of Senator Polo, the Spanish minister. At this point it can be said that the state department officials are confident that the Spanish government will so shape every phase of the negotiations as to oblige us to take the initiative at every point. After the withdrawal of the ministers, assuming Spain does not back down, actual war will follow, but whether or not the first overt act will be preceded by a formal declaration of war, which would insure the immediate neutralization of the powers, or whether the North Atlantic squadron will make its appearance off Havana as a beginning cannot yet be predicted.

In this connection, it might be stated that the army and navy experts are beginning to take a less hopeful view of an easy and quick campaign than they entertained a short time ago. Months are now mentioned instead of weeks as the probable length of hostilities, and one eminent naval officer, who had experience in the late war, professes a belief that unless outside pressure is brought to bear, a war may easily drag along for a year under the existing conditions.

Apparently the powers have abandoned open efforts in Washington to influence the course of our government.

## EXPECT TO FIGHT.

Officials of the Army and Navy Say Their Departments Are Ready.

Washington, April 20.—The announcement is made by the officials of the fighting departments of the government that there remains practically nothing to be done at headquarters here except issue orders to commence hostilities; that so far as initiative action is concerned those branches of the government are ready for war.

The authoritative statement was made at the war department Tuesday that on the first call for troops only the national guard will be given an opportunity to volunteer for service in war. Secretary Alger thinks that such a course is in keeping with sound discretion and the dictates of common sense, for the organized militiamen have gone to great expense and devoted much time to perfecting themselves for military duty. Any other course, he believes, would be destructive to the best interests of the guard. As far as practicable the state organizations entering the volunteer service will remain intact, the governors of the various states being permitted, as they were in 1861, to designate the regimental officers, which will include those of the grades of second lieutenants to colonels. The president will reserve to himself the right to appoint the staff and field officers.

Many applications have been made to the war department for permission to volunteer, and among men of all creeds, nationalities and politics there is an expressed intention and desire to uphold the honor and the integrity of the flag of the republic.

It was stated that the first call for troops would be for 80,000 men, which, it is believed, will exhaust the entire

available strength of the national guard at this time, after deducting those who are sick and otherwise incapacitated for immediate service. The total strength of the guard, as reported to the war department, is 113,764 men.

It is probable that congress will shortly authorize an army of about 200,000 men, to be composed of the standing army. A bill which Secretary Alger prepared contemplating a call for national guards as volunteers, to pass technically into the service of the United States and to be enlisted pro rata from the several states, was introduced in the senate Tuesday.

## MCKINLEY TAKES ACTION.

War Seems Inevitable and May Be Prolonged.

Washington, April 20.—Spain will not receive official notification of the demands of the United States before this afternoon. She then will be informed that the Cuban resolutions passed by congress are a part of the laws of the United States, and an ultimatum will be sent demanding compliance with this law, and an answer within a very short time, probably 24 hours. Compliance is not expected, and a forward movement on Cuba will commence the latter part of this week, according to the plans of the administration.

The congressional Cuban resolution and the ultimatum to Spain will be signed at the same time. The president early decided to make the two practically one act by a simultaneous signature.

The fact that the resolution was not signed Tuesday gave rise to a few disquieting reports, but it soon appeared from statements of cabinet officers that the president had not the slightest intention of withholding his signature and that the delay in attaching it was accounted for solely by his desire to have a full and complete plan of operations for the government of the executive in the immediate future before taking the final and important step of turning the joint resolution into a statute.

## Gen. Wallace's Statement.

Indianapolis, Ind., April 20.—Gen. Lew Wallace has supplemented the announcement of his withdrawal from the race for United States senator with the following statement: "I prefer being a soldier for the country in time of war to being a United States senator in time of peace. I wish it to be understood that I have no understanding with the president in regard to any position. There are but two positions in the army I could accept and maintain my self-respect. One of these is the position of major-general, which I held when I left the army after the civil war, and the other is the no less honorable position of private soldier. If I cannot serve in the one position I shall be happy to serve in the other."

## Promptly Signed by Mr. Reed.

Washington, April 20.—The house presented a most desolate appearance when it convened Tuesday after the weary all-night session. While the journal was being read Mr. Hager (rep., Iowa), chairman of the committee on enrolled bills, brought in the Cuban resolutions, which had been enrolled under his personal direction. The speaker immediately signed them, and as soon as the reading of the journal was concluded, at 12:16 p. m., he announced his signature. There was no

## Vice-President Signs the Resolutions.

Washington, April 20.—Comparatively little business was transacted by the senate Tuesday, all the senators being fatigued on account of their long vigil over the Cuban resolutions. Consideration of the sundry civil appropriation bill was resumed.

At 12:27 p. m. a message was received from the house of representatives announcing the signature of the speaker to the Cuban resolutions. Eight minutes afterward the vice-president announced his signature to the Cuban resolutions.

## Pointed Hint from Canada.

Ottawa, Canada, April 20.—A member of the cabinet said Tuesday: "It is quite certain the dominion will permit its people to do nothing that would embarrass the mother country, or nullify the policy she has mapped out in the event of hostilities between the United States and Spain. Should war be declared the states will have no

cause for complaint as to the attitude of Canada."

## Philippines for Sale.

Berlin, April 20.—The Berliner Nachrichten, a Bismarck organ, says that the Spanish government has offered in an indirect way to sell the Philippine islands to Germany for \$20,000,000. She wishes to take in exchange for the islands, at this price, munitions of war.

## Pope Has Not Given Up Hope.

London, April 20.—A dispatch to the Chronicle from Rome says there was a brisk exchange of dispatches between the vatican and Madrid. The pope does not despair, even now, of convincing Spain of the necessity of abandoning Cuba and thus averting a war.

## Predicts Stir in Finance.

Paris, April 20.—The Temps says: "How long, if the war is protracted, will the United States adhere to the 'sound money' principle? A great disturbance will occur in the financial markets."

## THANKFUL TO MRS. PINKHAM.

Earnest Words From Women Who Have Been Relieved of Backache—Mrs. Pinkham Warns Against Neglect.

DEAR MRS. PINKHAM:—I have been thankful a thousand times, since I wrote you, for what your Vegetable Compound has done for me. I followed your advice carefully, and now I feel like a different person. My troubles were backache, headache, nervous tired feeling, painful menstruation and leucorrhea.

I took four bottles of Vegetable Compound, one box of Liver Pills, and used one package of Sanative Wash, and am now well. I thank you again for the good you have done for me.—ELLA E. BRENNER, East Rochester, Ohio.

Great numbers of such letters as the above are constantly being received by Mrs. Pinkham from women who owe their health and happiness to her advice and medicine.

Mrs. Pinkham's address is Lynn, Mass. Her advice is offered free to all suffering women who are puzzled about themselves.

If you have backache don't neglect it or try heroically to "work it down," you must reach the root of the trouble, and nothing will do this so safely and surely as Lydia E. Pinkham's Vegetable Compound. Backache is accompanied by a lot of other aches and wearying sensations, but they nearly always come from the same source. Remove the cause of these distressing things, and you become well and strong. Mrs. S. J. SWANSON, of Gibson City, Ill., tells her experience in the following letter:

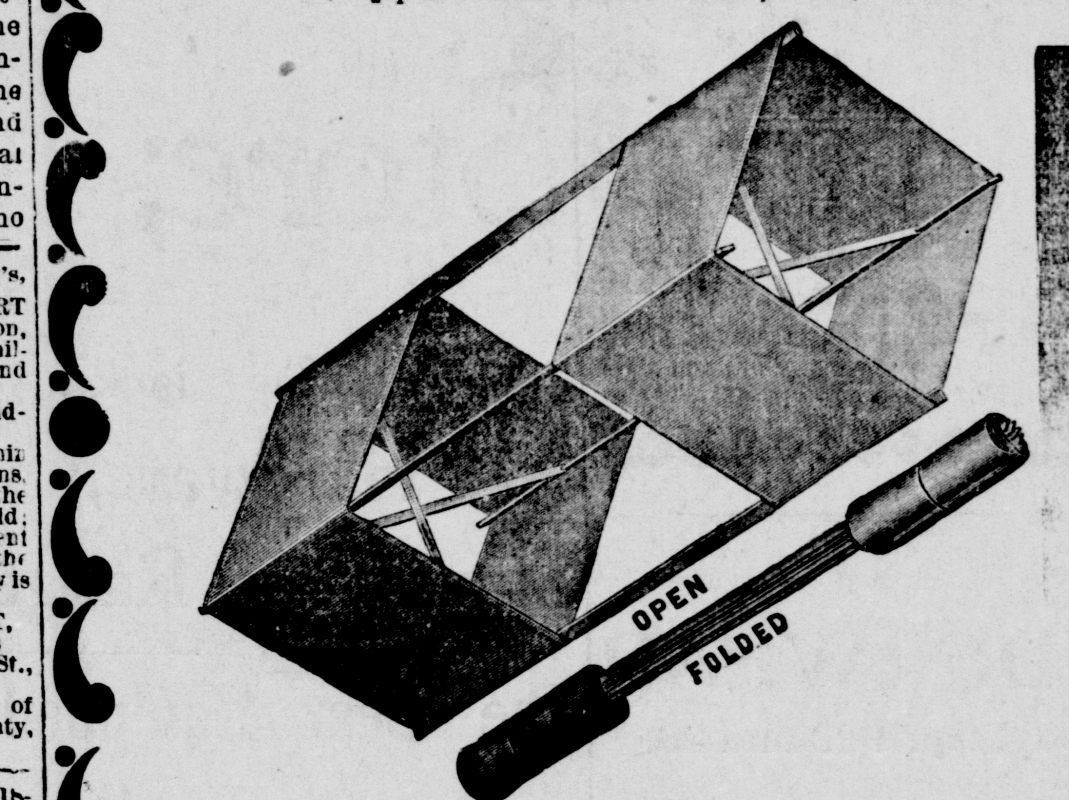

"DEAR MRS. PINKHAM:—Before using your medicine I was troubled with headache and my back ached so that I could not rest. Your medicine is the best I have ever used; it has relieved me of my troubles, and I feel like myself again. Thanks to Lydia E. Pinkham.

"I would advise any one troubled with female weakness to take your medicine. I shall also recommend it wherever I can as a great reliever of pain."

This will interest those who have doctored with "medical companies" and "free prescription" fakes and electric belts, until they are thoroughly disgusted. I am a well known physician of Chicago and have made nervous disorders and all diseases peculiar to men a special study for 30 years. I haven't a remedy that will do wonders in a few days, but with patience and the correct use of my treatment I will guarantee to MAKE A MAN OF YOU IN TIME. For a short time I will send a full month's treatment of my "NERVE-SEEDS" with some valuable private instructions, for \$1.00, or six boxes (a full course) for \$5.00. ## SEPTICIDE

"While in the army with the 54th and. Vols. sores came on my leg from the knee down, and much of the time since that I have been able to walk only with crutches. I have tried almost every remedy which friends suggested, but never struck the right remedy until about three weeks ago, when by the advice of our druggists, Goddard & Watson, I commenced the use of "SEPTICIDE." I took it internally and kept the sores wet with it four or five times a day. I am now happy to say, that I am entirely cured, and my leg is as sound as ever.
